

CORRECT REFRIGERATOR STORAGE

- Six inches off the floor
- Rotate (first-in, first-out), never past the expire date
- Temperature: 4°C (40°F) or lower.

Note: Refrigerated food can be received at 4°C (40°F) or less, inspected if it is 5°C to 7°C (41°F to 45°F), and rejected if it is greater than 7°C (45°F).
